Details of Incident: LARGE AMOUNT OF GREASE IN SEWER
WYE MAP H-10 MH'S 47A → 47.

Action needed: INVESTIGATE. CHECK FOOD SERVICE ETC.

628 E. Kearney

Investigation Results

I reviewed this complaint with Chuck Griffin 12-2-91 to see if there had been any other problems since this event. He said that there were no calls of blockages nor did his records ever show any blockages in the sanitary sewer. He indicated that they found grease on their routine maintenance. He suggested we wait until the line is cleaned again & then go from there.
