after being advised to check a Substation, making the Streets slippery I followed a trail of spilled diesel fuel Broadway & Division to 1701 W. Kearney where I found a North American Van Lines Truck there with a stream of diesel fuel Running out of a Hole in the Bottom of the Tank. The Driver had left the Vehicle parked there and left. He had gone to 2316 N. Kansas Ave his residence. He had apparently been drinking at a Local Bar and drove over some type of obstacle and Broken a Hole in the left Diesel tank. The fire department responded and plugged the leak. The subject Timothy J. Cobb. M/W DOB 1-29-63. 130 5'8" was located and Brought to the Scene. The Vehicle Belongs to Ben Walker / 736-3348 / Bearing Ill Tag 18624T. The only law we could see that was Violated was possibly a pollution infraction. Request a Copy of this report be sent to City Health Department for their information.
