

# SPRINGFIELD FIRE DEPARTMENT

## Escape Maze

At home, you should practice two ways out of every room with your family. Just like your escape plan, there are two ways out of this maze. Can you find them?

Also, remember these safety tips for your home fire escape drill:

- Crawl low to avoid smoke and heat.
- Feel doors with the back of your hand before opening them.
- Do not open the door if it feels hot— use your second exit.
- Get out fast.
- Meet outside and then call for help.
- Fill in your emergency number here
