Date: 1/14/98 RE: OLD CHURCH - CITY OWNED ON EAST CENTRAL ST.

AS REQUESTED, THE FOLLOWING INFORMATION WOULD BE REQUIRED FROM THE PRIVATE SECTOR TO DETERMINE IF A PAINT RESIDUE CONTAINING LEAD (Pb) WOULD BE ACCEPTABLE FOR DISCHARGE TO THE CITY SANITARY SEWER SYSTEM.

I DO NOT BELIEVE YOU COULD OBTAIN PERMISSION FOR THE PAINT RESIDUE AND ASSOCIATED WASTE-WATER TO BE DISCHARGED TO SURFACE WATER OR STORMWATER DRAINAGE. GIVE ME A CALL IF YOU NEED ANYTHING ELSE.

Randy
