SVC2009-05231	08/18/2009	REC	2907 E EASTWOOD ST	TRAFFIC
Large boat parked in street for a least a week. This is an ongoing problem for 2 years plus. I filed a request for service about two months ago and your office contacted this person and he moved his bass boat onto his driveway (GOOD JOB) now he has parked an even lager boat in the street, this makes 2 boats. Parking these boats in the street is a traffic hazard and is unsightly as well as contrary to city ordinances. This person continues to do this until he is contacted by the city, then will comply until he thinks the "heat is off."

SVC2009-01752	04/21/2009	CLO	1619 S ESTATE AVE	TRASH
I would like to find out how I can get help in getting rid of blue tarps that my neighbors have used to landscape their backyard. These tarps have been laying on the ground for several years and are currently decaying on the ground. These tarps are catching yard waste from last fall and tall weeds are beginning to grow through the tops. When it rains, they hold water and create a breeding ground for insects, and when conditions are dry, they become a potential fire hazard. This situation can be seen from Estate Ave by looking between 1611 and 1619 along north side of the backyard privacy fence. I give my consent for city personnel to come on my property to inspect, but please beware that we have a dog in the backyard. I would really appreciate any help with getting these tarps taken up for good and this area cleaned up. Thank you. Kathryn Cantrell

There is a chain link fence between Quick Cash - 1102 Glenstone and mine- 1103 S. Stewart. My property is on the SE corner of Delmar and Glenstone. They never clean the trash from the fence area and it often ends up on the Delmar easement which I keep mowed and clean. It also looks bad from Glenstone. Makes the area look trashy. I am removing the brush on my side of the fence as it gets too wild. I asked the if they would clean the brush from their side. Nothing happened. I would at least like it if the ground trash would get picked up,at least once a week and if they would quit leaving gig. butts in the grass by their road exit which I mow. There are also kids shakeboarding back there every night. Thank You.
