NARRATIVE

92.

I was sent by radio to 1419 S. Jefferson. I contacted the resident, reporting party Jerry Bilton. Bilton said the suspect vehicle was observed by him at Jordan Creek (North of 1419 S. Jefferson) on 5-17/18-88 at about 2200. The driver (suspect #1) was observed on both occasions opening a valve at the rear of the truck and dumping a large amount of liquid into the creek. Fawolken also witnessed this. I examined the area in question (side of road over creek, west side of Jefferson, 1419 South) and noted a wet area about 12 feet long and 4 feet wide. I smelled a chemical type odor coming from the spot.

The tag checks to Harold and Irene Hahn, 1143 W. Highland. Carpet Klean is at 1143 W. Highland, phone # 887-5266.

Bilton and Fawolken will both testify / sign a summons.
