Details of Incident:

Action needed:
5-6-91 Karen & I investigated and found nothing.
5-7-91 Karen & I talked to Julie Edwards & she said the neighbor to the East said that there is a plastic pipe sticking out of the East side of the building and that the truck parts people put a truck up

4005 E. Kearney

Investigation Results

beside the pipe and pump something into the building and then it drains out into the storm water retention basin. We went back to look for this plastic pipe and only found a ½" pipe plastic electrical conduit coming out of the building and going into the ground. We found nothing else
