Details of Incident: SAYS ARCH BAY MAINTENANCE WAS WORKING ON AIR CONDITIONING / HEATING SYSTEM. USED A PURPLE ACIDIC SCALE REMOVER AND DUMPED IT IN PARKING LOT AND IT RAN INTO STREET.

Action needed: MAKE INSPECTION AND REFER TO DNR IF APPROPRIATE.

4-19-91 2:30 P.M. Karen Chandler & I investigated this complaint and found it to be true. The liquid did run off the lot and down Latoka St. to the west until it reached Hampton Ave. I called Missouri Department of Natural Resources, Chuck Kroeger, and he said they would look into it. Gene Pabst
