**CITY OF SPRINGFIELD, MISSOURI
DIVISION OF PURCHASES
SALE BID TERMS AND CONDITIONS**

1. INTRODUCTION/DESCRIPTION OF PROJECT:

The City of Springfield is soliciting sealed bids for the sale of various parcels of City owned property. It is desired by the City to award and sell each property on an individual basis to qualified individuals or firms with the most favorable bid for each property. This determination shall be made in accordance with Resolution 9711 (see attached). The City reserves the right to award multiple properties to a bidder if determined in the best interest of the City.

The City will convey the properties described herein to the successful bidder by Special Warranty Deed or Quit Claim Deed. The City reserves the right to place any necessary covenants on the property as necessary, based on the proposed usage described on the bidders Proposal Form.

1.1 Background:

The vacant lots were acquired as a result of Dangerous Building proceedings and the collection of liens. The City has established a reserve amount for each of the properties listed.

1.2 Site Conditions:

The sites currently have various zonings and all are vacant. An official land survey has not been completed by the City at this time. The successful bidder shall be responsible for obtaining any required land survey including any easements, such as for utilities, as needed to be retained by the City for maintenance of public infrastructure.

1.3 Environmental Issues:

There are no "known" environmental issues at the sites. The sites remain vacant at this time. The property is being sold as is and as it exists.

1.4 Construction Readiness:

The City has not prepared any analysis of the site in terms of construction suitability. Construction readiness issues would be the responsibility of the successful bidder. This would include issues such as compaction of material, grading requirements, etc.

1.5 General Requirements:

1.5.1 Those submitting bids shall meet all requirements of City to be considered "eligible bidders" -- i.e. they cannot have defaulted or be in default on a present or past obligation to the City.

1.5.2 Bidder cannot currently be in violation of any local ordinances, rules or regulations.

1.5.12 Inspection: The property for sale will be available for inspection, 8:00 am to 4:30 pm, Monday through Friday. Please contact Paul Bles at phone number: 417-864-2057 to schedule an inspection. Failure on the part of the Bidder to inspect the property will not be considered as grounds for any claims for adjustment.

1.5.13 Award: Any award made hereunder shall be by written document issued by the Division of Purchases. Verbal awards are prohibited; however, the City Buyer administering the bid may discuss the bid results upon request.

The City of Springfield, Missouri, at its sole option, may delay any decision to award or cancel the bid for up to ninety (90) days following the bid opening date; and further, reserves the right to reject any or all bids and unless otherwise specified by the Bidder, to accept any item in the bid. The City may award by item or combination of items as may be in the City's best interest.

1.5.14 Approval Requirements: Award of this property is contingent upon approval by City Council of the sale.

1.5.15 Payment: Payment shall be made at the time of closing or transfer of title. Closing or transfer of title will be scheduled by the City. Payment shall be made in cash or by cashiers' check payable to the Director of Finance, City of Springfield, MO. Check shall be made to the Director of Finance, City of Springfield, MO.

1.5.16 Time Limit: The successful Bidder shall complete property transactions within ninety (90) calendar days from date of acceptance of the sale.

1.5.17 Excess Of \$10,000.00: Bids in excess of \$10,000.00 are also subject to City Manager acceptance and approval. In such case, Bidder agrees that all bids made are irrevocable for a period of ninety (90) calendar days from the date bids are opened and agrees to such as a condition of bidding.

Under \$10,000.00: Bidder agrees that all bids under \$10,000.00 are irrevocable for a period of ninety (90) calendar days from date bids are opened and agrees to such as a condition of bidding.

1.5.18 Failure to Pay: In the event the Bidder fails to make payment within the time specified herein, the City may sell to another buyer and the Bidder shall be liable to the City for the amount of loss caused by such failure to pay for the property.

1.5.19 Title Work: The Bidder is responsible for securing title search, title commitment, and/or title insurance at their own expense and discretion.
