When bidding on an "or equal," quotations must be accompanied with all descriptive information necessary for an evaluation of the proposed material or equipment such as the detailed drawings and specifications, certified operation and test data, and experience records. Failure of any bidder to furnish the data necessary to determine whether the product is equivalent, may be cause for rejection of the specific item(s) to which it pertains. All deviations from the specifications must be noted in detail by the bidder on the Affidavit of Compliance form, at the time of submittal of Quotation. The absence of listed deviations at the time of submittal of the Quotation will hold the bidder strictly accountable to the specifications as written. Any deviation from the specifications as written and accepted by the City may be grounds for rejection of the material and/or equipment when delivered.

27. Samples (if required)

For certain types of procurements, samples may be required. If samples are required, it will be stated in the RFQ. The following conditions and requirements apply to all samples submitted.

- d. All samples packages shall be marked "Sample for Division of Purchases" and each sample shall bear the name of the bidder, item number, Quotation number, and shall be carefully tagged or marked in a substantial manner. Also, the bidder shall refund to the City any money which has been paid for same. The bidder will be responsible for attorney fees in the event the bidder defaults and court action is required.

- c. Award(s) will be made to the Bidder whose Quotation (1) meets the specifications and all other requirements of the Request for Quotation and (2) is the lowest and best Quotation, considering price, delivery, responsibility of the bidder, and all other relevant factors.

32. Authorized Product Representation

35. Royalties and Patents

The successful bidder(s) shall pay all royalties and license fees for equipment or processes in conjunction with the equipment being furnished.
