RE: 1301 E. ST. LOUIS

I COULD FIND NO DOCUMENTATION IN OUR FILES REGARDING SPILLS ETC. AT THIS ADDRESS. HOWEVER; STEVE SHORT AND MYSELF REMEMBER BEING CALLED TO THIS ADDRESS SEVERAL YEARS AGO BY THE FIRE DEPT. TO LOOK AT A SPILL NORTH (ON THE LOT AT REAR ADJOUNING THE RAILROAD Right-of-way) OF THE BUILDING HOUSING A B.F. GOODRICH TIRE STORE. THE MATERIAL AS WE REMEMBER IT WAS OIL OR TRANSMISSION FLUID SPILLED ON THE LOT AND CONTAINED AT THE PROPERTY LINE BY TRASH, LEAVES, ETC. IN THE DITCH ON THE RAILROAD R/W. WE BELIEVE THE SPILL WAS CLEANED UP BY B.F. GOODRICH AND PLACED IN THE TRASH DUMPSTER AND TAKEN TO the LANDFILL with NORMAL TRASH.
