Details of Incident: GARY CORSON SAID IT APPEARS THOMPSON SALES IS DUMPING OIL ON GROUND AND DOWN PIPE IN ALLEY BETWEEN THEIR BUILDING AND THE OLD SEARS PARKING GARAGE.

Action needed: MAKE INSPECTION AND REFER TO MO. D.N.R. IF NECESSARY.

9-21-89 (10:45 A.M.) Karen Chandler & I investigated and found this to be what appeared to be an old problem. Apparently they had a leak in their waste oil line which runs above ground on the west side of the garage at Thompson Sales. They have replaced the oil line. There was no fresh oil. Oil covered an area of about 3 ft. square. We did not refer this to D.N.R. & there is no clean up necessary.
