## Information Sought on Recent Assault and Robbery

**For June 9, 2009**

CRIME STOPPERS and the Springfield Police Department are asking for help identifying the suspects in a recent assault and robbery

The incident occurred sometime early morning of May 25 on the parking lot of Sharky's Bar, located at 525 S Glenstone. The 62-year-old female victim left the bar at closing time and began talking with one of the suspects. They then started to walk together southbound along Glenstone. Three additional suspects approached the victim and lead her to the southside of the building. The four suspects then proceeded to punch the victim and she fell to the ground. They continued to punch and kick her on the ground. The victim blacked out soon after.

Officers were dispatched to the area at 4:05 am to check the well being of a female later identified as the victim. She was later evaluated at the hospital for injuries. During the investigation, it was determined that some of her personal effects were stolen, including her food stamp card. The victim could only describe the suspects as four black males.

A few hours after the incident, the victim's food stamp card was used at the Wal-Mart located at 1923 E Kearney. The following photos of the suspects were obtained from the store's surveillance system.
