

May 28, 2010

Hello Neighbor,

This letter is to advise you that the building at 661 South New is in the process of regaining its zoning as commercial property.

One of the conditions of this process is to invite all neighbors within in a specified distance to the property to stop by the location and ask any questions they might have as to the proposed use of the property.

To this end, you are invited June 10, 2010 from 4PM to 6PM to stop by and ask any questions you might have.

Sincerely,

**Robert Ross
512-797-2701**
