Chapter 1

Springfield and Greene County: Population, Growth, and Urban Sprawl	1
Did You Know?	3
Introduction	4
Greene County Population Trends	4
Greene County Gender, Race, and Age Composition	7
Housing	10
Utilities	11
Loss of Farmland in Greene County	12
Bicycle Lanes, Greenways, and Trails in Greene County	14
Urban Forests and Tree Canopy Decline	15
Bus Transit System	17
Urban Sprawl and Health	19
Brownfields	20
References	23

Chapter 2

Springfield and Greene County: Water Quality	24
Did You Know?	26
Introduction	27
Wastewater Treatment	27
Private Well Water Quality	28
Public/Community Well Water Quality	29
Municipal Drinking Water Quality	30
Waterborne Illnesses	31
Spring Water Quality	33
Surface Water Quality	34
Well Drawdown	37
Case Study: Fecal Coliform Bacteria in Pearson Creek	38
Case Study: Fellows-McDaniel Lakes Watershed Protection Project	38
Case Study: Fulbright Spring Protection Project	39

What Can You Do To Conserve Water?	39
References	42

Chapter 3

Springfield and Greene County: Air Quality.....	43
Did You Know?.....	45
Introduction	46
Ambient Air Quality	46
Local Air Quality Monitoring Sites.....	48
Mobile Source Air Emissions.....	54
Commuting Patterns for Regional Counties.....	56
Industrial Source Air Emissions	56
Indoor Air Quality	58
What Can You Do To Improve Air Quality?	59
References	61

Chapter 4

Springfield and Greene County: Solid Waste Management	62
Did You Know?.....	64
Introduction	65
Curbside Recycling.....	66
Household Chemical Collection Center	66
Information and Education Program	67
Yardwaste Recycling Center	67
Recycling Centers.....	68
Market Development.....	68
Springfield Sanitary Landfill.....	68
What Can You Do To Reduce Solid Waste?.....	69
References	70

Chapter 5

Springfield and Greene County: Community Health	71
Did You Know?.....	73
Introduction	74
Unoccupied/Dangerous Buildings and Property	74
Lead Contamination	75
Food Borne Illnesses	78
Food Establishment Inspections	82
Methamphetamines.....	83
West Nile Virus	84
References	86

Chapter 6

Springfield and Greene County:

Environmental Justice and Environmental Education	87
Did You Know?	89
Introduction.....	90
Environmental Justice.....	90
Environmental Education.....	91
Environmental Education Programs	93
Service Learning and Environmental Education	94
References.....	103

Environmental Indicators: Focus Areas for Environmental Health Improvement	104
