The Request for Quotation specified above is hereby amended and revised as described below. **This addendum must be acknowledged on the Affidavit of Compliance provided in the original bid documents.**

DESCRIPTION

<h3>Inspection and Testing of Fire Detection and Suppression Systems and Portable Fire Extinguishers</h3>

The following clarifications are being made in response to questions received in the Purchasing Office:

1. Please find attached **REVISED** pricing pages. To insure accurate pricing, fire alarms are being considered separated from the fire suppressions systems.
2. The 5-year Hydrostatic Hose tests were separated for City Hall and the Health Department.
3. Item 21 – Sanitary Landfill, has been expanded to include the labor and materials to replace the cylinders, along with Regulator Testing and Cylinder Hydrotesting.
4. Clarification: The 6-year maintenance and the 12-year hydrostatic tests for the portable fire extinguishers must include all scheduled replacement parts and labor.
5. The bid due date has been **EXTENDED**. The revised bid due date is **FRIDAY, NOVEMBER 20, 2009**
6. All other specifications remain the same.
