Narrative Summary

Female said two white males wearing hooded sweatshirts and wearing ski masks came to her front door and one of them claimed to be her son, Scott Daniel Harper. She allowed them inside only to discover it was not her son. One of the males demanded her Hydrocodone and hit her in the mouth and poked her on the left leg several times with a small pair of scissors. After getting her Hydrocodone they left northbound on foot. No injuries requiring medical attention.
