

CHECKLIST FOR SPECIAL EXCEPTION APPLICATIONS

This checklist is designed to help you make sure that you submit everything that is required for a complete zoning special exception application and that you fill out the application form completely. Applications must be in the Development Review Office no later deadline day (see Processing Time Schedule). Applications received after the deadline will be processed for the following Board of Adjustment meeting. This application must be complete or it will be returned to the applicant and will not be placed on the agenda. Close attention to the checklist will help avoid a delay in your case being heard by the Board of Adjustment.
