## **EXPLANATION TO COUNCIL BILL 2018-118**

FILED: 05-01-18

ORIGINATING DEPARTMENT: Planning and Development

PURPOSE: To accept the recommendation of the Hotel-Motel Tax Reallocation Committee to reallocate funds previously allocated by Special Ordinance 10294 to the Commercial Club of Springfield for the renovation of the Jefferson Avenue Footbridge.

BACKGROUND INFORMATION: In 1998, the City Hotel-Motel tax rate was increased from two (2) percent to four-and-one-half (4.5) percent. A portion of the revenue from the increase was used to make capital grants to nonprofit organizations for the purpose of building or renovating facilities in order to increase tourism, recreation, educational opportunities or boost the local economy. The ballot language specifically called out Dickerson Park Zoo, Gillioz Theater, Landers Theatre, Discovery Center and Wonders of Wildlife ("WOW"). In 2012, the City's agreement with WOW was terminated at WOW's request, and the funds allocated to WOW became available for use by other entities that qualify under the terms set forth in the February 3, 1998, ballot.

Special Ordinance 26127 allocated 40 percent of the WOW tax allocation to the City's General Fund for the purpose of reducing the General Fund subsidy of debt related to Jordan Valley Park projects funded as part of the 1998, Hotel-Motel Tax referendum and for Mediacom Ice Park operating shortfalls. The Ordinance also established the Hotel-Motel Tax Reallocation Committee ("Committee"). The purpose of the Committee is to make recommendations to City Council for the reallocation of the remaining sixty (60) percent of the WOW tax allocation.

REMARKS: Resolution 10294 accepted the Committee's recommendations for partial distribution of Fiscal Year 2015-2016 Hotel-Motel Taxes. The Committee recommended allocating \$15,000, for Talking Telescopes to be installed on the Jefferson Avenue Footbridge. Prior to execution of the contract with the Commercial Club of Springfield for the Talking Telescopes, the Jefferson Avenue Footbridge was closed due to safety concerns.

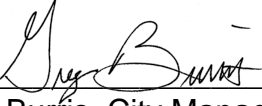

The Commercial Club has requested that the \$15,000 previously approved for Talking Telescopes be reallocated to the renovation of the Jefferson Avenue Footbridge. The Commercial Club also requested that the \$15,000 reallocation of Hotel-Motel funds be counted toward their commitment to raise \$50,000 in private funds for the Footbridge renovation. The Committee met on April 11, 2018, and recommended that the funds be reallocated. (see the attached "Exhibit A").

If approved, these funds will be placed in the Public Works Department budget for the renovation of the Jefferson Avenue Footbridge. Staff and the Hotel-Motel Tax Reallocation Committee recommend approval.

RE: **Hotel/Motel Tax Reallocation Committee 2018 Funding Recommendations**

Dear Mayor McClure and Members of City Council,

As the chair of the Hotel/Motel Tax Reallocation Committee, I present the Hotel/Motel Tax Reallocation Committee's funding recommendations for 2018. This committee includes representatives from the City, the Springfield lodging industry, the Sports Commission, the Convention & Visitors Bureau, and the Springfield Regional Arts Council. Councilwoman Fisk also serves as a non-voting Council liaison.

This committee was appointed to make recommendations on how to use 60 percent of the hotel-motel tax funds that became available when Wonders of Wildlife requested termination of its allocated funds.

The Committee established a process to accept and evaluate funding requests based on the criteria in the special ordinance that reallocated the WOW funding and the 1998 ballot language approved by voters. The first awards were made in 2013, with a total of \$768,220 awarded in four years.

This year the committee has two recommendations.

1. To reallocate Commercial Club's 2016 funding of \$15,000 from Talking Telescopes on the Jefferson Avenue Footbridge to the efforts to renovate the bridge.
2. To postpone the decision of how to utilize the current year's funds until August 2018 to allow issues in the community to progress and guide the committee's decisions.

Thank you for your consideration in reviewing the committee's recommendations.

Sincerely,

Leslie Forrester, Chair, Springfield Regional Arts Council  
Brad Danzak, Springfield Hotel & Lodging Association  
Bill Hobbs, Sports Commission  
Tracy Kimberlin, Convention & Visitors Bureau  
Mary Lilly Smith, City Manager's Office  
Jan Fisk (ex-officio), Springfield City Council
