NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

1. **TERM.** The term of this Agreement shall be from July 1, 2018, to June 30, 2019, subject to any changes to which both parties may subsequently assent in writing.
2. **SCOPE OF SERVICES.** The City will engage the services of the Contractor to establish and perform services which are more particularly described in *Exhibit 1* and incorporated herein by reference. The City authorizes the Contractor, and the Contractor agrees to proceed with the development of programs for those activities described in *Exhibit 1*.

The Contractor designates the President of the Springfield Convention and Visitors Bureau (or their designated alternate) as its representative concerning all work performed under this Agreement.

The aforementioned representatives of both the City and Contractor shall have primary responsibility and authority on behalf of each respective party to administer this Agreement and to agree upon procedures for coordinating the efforts of both parties under this Agreement.

4. FURNISHING INFORMATION. All information, data, and reports as are existing, available, and necessary for the carrying out of the work shall be furnished to the Contractor without charge by the City, and the City shall reasonably cooperate with the Contractor in connection with this Agreement.
5. COPYRIGHTS. The Contractor shall defend, indemnify and hold the City harmless from any and all claims or causes of action, including reasonable attorneys' fees and legal expenses, arising out of or based upon any alleged infringement of any copyright, or any alleged invasion or infringement of any right of any third party in connection with the Contractor's performance of work hereunder.
6. REPORTS. Reports to the City will be made as follows:
 - A) Annual Reports: The Contractor shall submit an administrative progress report to the City, on an annual basis, which describes the work performed during the fiscal year. This report shall be submitted within sixty (60) days of the termination of this contract. This report shall be a synopsis and evaluation of the activity undertaken.
 - B) Other Reports: The Contractor shall submit to the City such other reports as may be requested or are necessary to inform the City of issues which require City action.
7. PERSONNEL. The Contractor will secure such personnel as are authorized in its board-approved budget. Such personnel shall not be employees of or have any contractual relationship with the City except as employees of the Contractor. All of the services required hereunder will be performed by the Contractor or under its direct supervision, and all personnel engaged in the work shall be fully qualified and shall be authorized under state and local law to perform such services.

The City may, without cause, terminate this Agreement upon ninety (90) days prior written notice. In either such event, the Contractor shall cease all work and all finished or unfinished documents, data, studies, surveys, and reports or other materials prepared by the Contractor for City, become the property of the City, and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or other materials. A) Contractor's Books and Records: The Contractor shall keep accurate reports and other records showing in full detail the costs for which the Contractor claims reimbursement. The City may examine, at its own expense, at any time during regular business hours, such time and expense reports and other records at the Contractor's office, and the Contractor agrees that it will produce such records whenever reasonably required by the City. Any expense incurred by the Contractor to prepare the records for audit will be at the expense of the Contractor. If such examination should disclose that the City has paid the Contractor for labor hours which have not in fact been worked, for services not in fact rendered, or for other costs not expended in accordance with this Agreement, the Contractor shall refund to the City an amount equal to any such excesses, plus accrued interest at the rate of 10% (ten percent) per annum.

B) Subcontractor's Books and Records: The Contractor agrees to include the substance of this section in all subcontracts to be performed on a cost reimbursable, hourly rate, or similar basis, giving the City the right to audit, at its own expense, the books and records pertaining to any such subcontract.

14. INSURANCE REQUIREMENTS. Without limiting any of the other obligations or liabilities of the Contractor, the Contractor shall secure and maintain at its own cost and expense, throughout the duration of this Contract and until the work is completed and accepted by the City of Springfield, insurance of such types and in such amounts as may be necessary to protect it and the interests of the City of Springfield, City Utilities of Springfield, and the Board of Utilities, against all hazards or risks of loss as hereunder specified or which may arise out of the performance of the Contract Documents. The form and limits of such insurance, together with the underwriter thereof in each case, are subject to approval by the City of Springfield. Regardless of such approval, it shall be the responsibility of the contractor to maintain adequate insurance coverage at all times during the term of the Contract.
