EXPLANATION TO COUNCIL BILL 2018-219

FILED: 09-04-18

ORIGINATING DEPARTMENT: Police

PURPOSE: Authorizing the City Manager, or his designee, to accept the Edward Byrne Memorial Justice Assistance Grant from the United States Department of Justice; to enter into an agreement with Greene County outlining the division of the grant funds; amending the budget for the Springfield Police Department for Fiscal Year 2018-2019 in the amount of \$164,639.00; and declaring that this Ordinance qualifies for approval on one reading pursuant to Charter Section 2.16(25).

BACKGROUND INFORMATION: The Edward Byrne Memorial Justice Assistance Grant from the United States Department of Justice ("JAG") formula for allocation of state and local government funds is determined based on population and the Uniform Crime Report Part I, Violent Crime Statistics. Based on this formula, the City of Springfield is eligible for grant monies. JAG does not require matching funds. However, as noted in the attached "Exhibit A," a disparate allocation exists between the City and Greene County, with the County bearing more than 50 percent of the costs of prosecution and incarceration that arise from the Part I Crimes. Jurisdictions identified as disparate are required to submit a joint application in order to be awarded any funds. The amount of funds to be distributed to each entity and the purpose for which the funds will be used must be included in the application. An Interlocal Agreement must be completed between the parties identifying the amount each has agreed to accept.

REMARKS: The joint application award amount is \$164,639. The City and Greene County have agreed to divide the funds with 60 percent going to the City and 40 percent going to the County. The City will receive \$98,783 and the County will receive \$65,856. The City will establish an account for the joint application award amount and reimburse the County for their share. The City of Springfield Police Department will use their share of the funds to purchase items we were unable to fund within the current budgeted capital monies: a cyber forensic workstation, a robot for Special Response Team, radar units, and commander radios. Greene County will use their share of the funds to purchase drones, night vision equipment, and mobile ID card readers for the Sheriff Department. The application was due August 22, 2018. A budget adjustment is required and submitted with this document. This Ordinance may be passed as a one-reading ordinance pursuant to City Charter Section 2.16(25) as it relates to a contract for acceptance of grant funds from a state or federal agency.
