Felony Warrant Roundup

On Sept. 18, members of the Springfield Police Department, Missouri State Highway Patrol and the Bureau of Alcohol, Tobacco, Firearms and Explosives joined together to conduct an operation intended to locate and actively serve outstanding felony arrest warrants throughout the City of Springfield and Greene County.

Officers went to homes, places of employment and other places frequented by the wanted persons in attempt to serve a total of 40 warrants. At the end of the operation, 13 persons were arrested on 16 warrant charges with offenses that included assault, drugs, domestic violence, and property crimes.

Individuals arrested in connection with this operation were transported, processed and held for bond at the Greene County Jail.
