News Release

For Immediate Release

Scenic Avenue construction may slow traffic

Starting Monday, June 3, 2013, construction activities will begin on Scenic Avenue between James River Freeway and Republic Road. During construction, work may require narrow lanes and temporary lane closures. Signage will be in place to notify motorists and delineators will be positioned to route traffic through the construction zone.

This work is being performed by Hartman & Company, Inc. of Springfield under contract with the City. The contractor will work to minimize the impact to the public; however, motorists are encouraged to use alternate routes such as Golden Avenue. This project is funded by the 1/8 Cent Transportation Sales Tax.

For more information, contact: Brandon Braun, City of Springfield, at 864-1969.
