For Immediate Release

Lane Closures at Sunshine and Campbell Start Nov. 5

Springfield Public Works Traffic Engineering warns motorists of lane closures and realignment of traffic flow next week to accommodate construction at the Sunshine and Campbell intersection.

Work begins 9:30 a.m. Monday, Nov. 5 and is expected to continue through Friday, Nov. 9.

Drivers are encouraged to use an alternate route during this closure, however, if driving into the construction zone, vehicles traveling southbound on Campbell and westbound on Sunshine through this area are asked to be cautious and follow the signing and lane delineation.
