News Release

*For Immediate Release*

**Council to discuss proposed changes to sign ordinance at today's Council lunch**

At the direction of City Council, a Sign Task Force has revisited the [proposed changes to the City's sign ordinance](#) (pdf) and will bring the revised ordinance to Council in March. At today's City Council lunch (noon, Busch Building 4th Floor Conference Room), Council will discuss the [point-by-point language comparison](#) (pdf) related to the items that presented the most discussion. For example, the task force revisited the concerns regarding the content and determined that the use of off-premise advertising should be limited to state-controlled routes only. Additional information will be presented today.

For more information, contact Building Development Services Director Chris Straw at 417-864-1063.
