News Release

For Immediate Release

Section of National Avenue to close Oct. 30

National Avenue will be closed from Kearney Street to a point north of Jean Street for street and storm sewer improvements beginning with utility relocations starting at 6 a.m. Wednesday Oct. 30.

This project will continue previous improvements and extend them to the Kearney intersection.

Please use an alternate route (Kearney Street to Glenstone Avenue on the south side and North Norton Road to Glenstone Avenue on the north side) and as always, use caution in all construction zones.

Construction related closures are available through an RSS feed at www.ozarkstraffic.info/construction.html.

For more information, contact: Dave Shalla in Public Works at 864-1945.
