

**APPLICATION FOR SPECIAL PERMIT  
FOR SANITARY SEWER CONNECTION**

**NON-REFUNDABLE**

In consideration of special permission being granted to the undersigned by the City of Springfield, Missouri to connect property owned by the undersigned at \_\_\_\_\_ and described as follows:

With the sanitary sewer of the City located in \_\_\_\_\_, the undersigned hereby understands and agrees:

- (1) That special permission to connect to the sanitary sewer does not relieve the above property from special assessments for sanitary sewer district and/or joint sanitary sewer district construction;
- (2) This application is made subject to the requirements of Section 120-250 of the Springfield City Code;
- (3) To abide by all of the ordinances of the City of Springfield, Missouri now in force or which may hereafter be enacted relating to sewers, plumbing and sewer service charges;
- (4) That a rental fee equal to one-half the sewer use charge otherwise imposed by the ordinances on the occupant or owner of the premises shall be paid for 20 years herefrom as and with the sewer use charge, unless the property above described is sooner included in and assessed for sewer construction in a sanitary sewer district;
- (5) If such property should be assessed for construction of a joint sanitary sewer, the rental fee will be reduced in accordance with Section 120-250 of the Springfield City Code; and
- (6) That neither the initial connect charge of \$50 or any part of the rental fee is refundable; and
- (7) Pursuant to Section 120-252 of the Springfield City Code, as a condition to this permit, dedication of a sewer easement for future sewer construction (is) (is not) required at this time. Additional sewer easements may be purchased in the future when sanitary sewers are proposed to serve the vicinity of this property.
