

A Guide to Recycling in Springfield

This guide lists local outlets for many items that can be recycled. If you have items that are not listed, please call the **Recycling Hotline at 864-1904** and we will attempt to find an outlet for those items.

Call to verify acceptance prior to making the trip to the business/organization listed. Acceptance of some materials is subject to sometimes quickly changing recycling market conditions. The businesses listed here may also have specific requirements or fees regarding items they accept. It is possible that other materials may also be accepted in addition to those listed.

Habitat for Humanity ReStore

Commercial/Residential Building Materials
and Home Improvement Supplies 829-4001

Tires – Recycling/Disposal

Several options are available. The Landfill accepts tires cut into thirds (the tread and two side walls). Tires may also be cut into 3 pieces like a pie or cut in half on the circumference (cut like a bagel). Shredded or chipped tires are also accepted. Several local retailers accept used tires.

Please call first — fees apply

or call the ***recycling hotline at 864-1904***

The Mission of the City of Springfield's Solid Waste Management Division is to provide an Integrated Solid Waste Management System for Springfield and Greene County that is environmentally sound and economically feasible that represents a long-term solution to preserve the natural resources of the region for present and future generations.

Springfield's voter-approved Integrated Solid Waste Management System includes project services to manage solid waste generated in Springfield and Greene County by utilizing:

- **Curbside Recycling**
(provided by private waste haulers)
- **Household Chemical Collection Center**
(call 864-2000 for an appointment)
- **Market Development**
- **Springfield Sanitary Landfill**
- **Yardwaste Recycling Center**
- **Recycling Centers**
 - * 731 N. Franklin * 3020 S. Lone Pine
 - * Adjacent to the Yardwaste Recycling Center
