CITY OF SPRINGFIELD**

**HUMAN RESOURCES DEPARTMENT
EMPLOYMENT AND
COMPENSATION DIVISION**

Job Title	<u>Database Administrator</u>
Sch.& Grade	<u>PAT-8</u>
Class Code	<u>CI22</u>
FLSA Status	<u>Non-exempt</u>
Bargain Unit Elig.	<u>Not Eligible</u>
Occupational Group	<u>IT Infrastructure and Applications</u>

PRIMARY PURPOSE:

Performs specialized and responsible work in the development, implementation, and maintenance of major computer databases citywide.

SUPERVISION:

Under general supervision of the Director of Information Systems.

DESCRIPTION OF WORK:

ESSENTIAL FUNCTIONS:

1. Performs daily administration of computer databases to ensure proper performance, security, and data integrity is maintained.
2. Works with various City departments and agencies to analyze data flow, develop informational models, and define data attributes.
3. Develops normalized database designs of high integrity, implements the design, and produces entity relationship diagrams to document the database.
4. Tunes database structures and settings to obtain optimal performance and security. Detects potential problems early.
5. Develops and implements plans for database replication and synchronization among major City databases and for data warehousing.
6. Ensures backend database products work with front end data access software, including client/server applications utilizing stored procedures and triggers.
7. Assists in selection of data management tools and installation of new database systems.
8. Ensures future database systems are compatible, efficient, and easily maintained.
9. Automates database data reports and distribution.
10. Produces Information Systems management reports to describe database configurations.
11. Communicates with users, database vendors, and software application developers on a regular basis including gathering details, assessing problems, and recommending possible solutions.
12. Assists various City departments with miscellaneous data importing, exporting, scrubbing, and database integration.
13. Provides departmental training on the use of database systems, as assigned.

IMPORTANT FUNCTIONS:

1. Performs minor office administration tasks such as copying, filing, faxing, etc.
2. Delivers and picks up specific computer reports.
3. Drives to various city departments located throughout the city to provide computer data support as assigned.

Performs related work as required.

QUALIFICATIONS REQUIRED:

Any combination of education, training, and experience providing the following knowledge, skills, and abilities:

Knowledge
