Jan Fisk was appointed to City Council as General Council Seat A in June, 2012. She currently serves as the chair of the Community Involvement Committee and member of the Plans and Policies Committee, Solid Waste District O Board, and the Sister Cities Organization.

Councilwoman Fisk's professional career includes positions that required working with the public and providing excellent customer service. These experiences proved invaluable when she and her husband founded J. Howard Fisk Limousines, Inc., in 1976. As a small business owner, Councilwoman Fisk knows firsthand how to take a concept and turn it into a success, which is what has occurred with Fisk Limousine. The company currently has a fleet of over 75 vehicles and provides service to a four state area.

Prior to starting Fisk Limousine, Councilwoman Fisk attended Missouri State University, which at the time was known as SMSU.

In addition to her service on City Council, Councilwoman Fisk serves on the board of the Springfield Symphony Association, the History Museum on the Square, Girl Scouts of the Heartland, and as an advisor for the Junior League of Springfield. She is a member of PEO, a philanthropic educational organization, Daughters of the American Revolution, and the Springfield Area Chamber of Commerce.

Councilwoman Fisk is married to J. Howard and together they have two children.
