

# WATCH for WALKERS

We all need to travel responsibly and watch out for each other.

**DRIVERS**, remember to let walkers go first.

**PEDESTRIANS** can do their part too!

ON AVERAGE, 60 pedestrians are struck on Springfield streets per year.  
That's **ONCE A WEEK**.

# FOLLOW THESE TIPS:

## HEY, DRIVERS!

- **ACTIVELY WATCH** for walkers, especially when turning left or right at intersections and driveways.
- Put your phone down! **PAY ATTENTION** when approaching a crosswalk, even if you don't immediately see a walker.
- The walker in the crosswalk has the right of way. **LET WALKERS GO FIRST!**
- Be **PATIENT** and **KIND**. Give pedestrians plenty of time and space to safely cross.

## LISTEN, WALKERS...

- Cross at crosswalks and obey the signals.
- It's safest to walk on a sidewalk. If one is not available, walk on the shoulder and face traffic.
- Wear bright colored or reflective clothing.
- Make eye contact with all drivers. Clearly demonstrate your intent to cross and cross only when vehicles stop.
- Keep scanning for traffic as you cross, especially for turning vehicles.
