

Missouri Department of

Natural Resources

As of September 1, 2012, the Department will no longer be accepting paper applications for general land disturbance permits (MORA). Applicants can go to <http://dnr.mo.gov> and connect to the ePermitting link at <http://dnr.mo.gov/env/wpp/epermit/help.htm>.

The fact sheet describes information needed in order to complete the on-line application. Permits will be issued in a matter of minutes as soon as information is complete and payment is received. Online payments can be made with credit cards or electronic checking. Land disturbance activities may begin immediately upon receipt of electronic authorization. Please print and keep a copy of the permit easily accessible.

For technical or non-technical assistance regarding ePermitting, please call Technical Customer Assistance at 573-526-2082 or 855-789-3889 or email epermitting@dnr.mo.gov during regular business hours.
