

October 2018

## Upcoming Programs

### Mercy

#### Mammography Bus

The digital mammography equipment on the bus is the same at Mercy Breast Center. The technologist who performs the exam is a female and also works at the Breast Center. Images are read by the same Radiologists. They file insurance for you, which is billed the same as Mercy Breast Center. They are just simply on site for your convenience.

# Breast Cancer Awareness Month

Breast Cancer Awareness Month is an annual observance held throughout the month of October. It is intended to raise awareness of breast cancer, the most common cancer in women of all races & ethnicities, & to fundraise for research into its cause, prevention, diagnosis, treatment, survivorship & cure.

In 2018, it's estimated that in the U.S., there will be 266,120 new cases of invasive breast cancer in women, and 2,550 new cases of invasive breast cancer in men.

Regular screening tests can find breast cancer early - when the chances of survival are highest. Breast cancer mortality declined 39% in the U.S. from 1989 to 2015.

Find more information about breast cancer prevention or about how you can get involved at <https://ww5.komen.org/>.

## Monthly Drawing

What is your favorite outdoor Fall activity?

Please email [inBalance@springfieldmo.gov](mailto:inBalance@springfieldmo.gov) with your response to be placed in a drawing to win a \$10.00 Gift Card. If you wish to be placed in the drawing, your answer must be submitted to inBalance by the last day of the month.

Questions? Email us at [inBalance@springfieldmo.gov](mailto:inBalance@springfieldmo.gov)
