

GUIDE TO ABBREVIATIONS

Following is a table containing the POTW's Significant Industrial User inventory regulated by its Pretreatment Program. Please verify that all information in the table is correct and current. For those industries no longer regulated draw a line through the entry. Add all new industries and provide the information sought by the table. Below is a guide to the information sought by the table and suggested abbreviations.

- INDUSTRY:** Provide the name of each industrial user regulated under the pretreatment program.
- CAT STND:** Provide the categorical standard code number. For example, industries subject to the Metal Finishing regulation should be designated "433." For noncategorical industries indicate "NA" in this column.
- REG PROCESS:** Indicate what process the industry performs to qualify for inclusion in the pretreatment program. For example, if an industry is subject to Metal Finishing regulations because it performs zinc and chromium plating indicate with "ZnCrPL" or a similar abbreviation.
- TMT:** If the facility treats its wastestream(s) indicate "Y." If no treatment is provided indicate "N."
- TYPE:** Indicate the type of pretreatment system (if applicable) the industry has. Suggested abbreviations: "precip" for precipitation/clarification; "precp/flt" for precipitation followed by filtration; "DAF" for dissolved air flotation; etc.
- REG FLOW:** Provide the industry's average daily flow for its regulated processes in gallons per day. The abbreviation "K" stands for 1000.
- TOT FLOW:** Provide the average daily total plant flow in gallons per day.
- CWF:** Indicate if the industry uses the Combined Wastestream Formula to determine compliance with categorical standards. "Y" = yes, "N" = no.
- COMPLIANCE STATUS FOR THE 6 MO PERIOD ENDING:** For the six month periods listed, indicate the industry's compliance status. Use the following abbreviations:
- C** In compliance with all standards: no violations.
 - I** Infrequent noncompliance with discharge standards: the facility had some violations but not severe enough to be considered in significant noncompliance.
 - SNC,S** In significant noncompliance with discharge standards.
 - SNC,R** In significant noncompliance with reporting requirements: the industry failed by greater than 30 days to submit reports as required.
 - SNC,M** In significant noncompliance with self monitoring requirements: the industry did not properly report its compliance status on its self monitoring report.
 - SNC,C** Failure to meet a compliance schedule milestone by 90 days.
- LAST INSPECTION:** Date of the last inspection performed by the POTW.
