

FIFTH PROCLAMATION OF CIVIL EMERGENCY
“THE ROAD TO RECOVERY” - PHASE 3

WHEREAS, in December 2019, medical professionals detected a novel coronavirus, now designated as “SARS-CoV-2,” which causes a disease known as “coronavirus disease 2019” abbreviated and popularly known as “COVID-19”; and

WHEREAS, on January 30, 2020, the World Health Organization Director General declared an outbreak of COVID-19 as a Public Health Emergency of International Concern, advising countries to prepare for containment, detection, isolation and case management, contact tracing and prevention of onward spread of the disease; and

WHEREAS, on March 11, 2020, the World Health Organization Director General characterized COVID-19 as a pandemic; and

WHEREAS, on March 13, the President of the United States declared the COVID-19 outbreak a national emergency; and

WHEREAS, COVID-19 is spread person to person through direct or close proximate contact and presents an imminent threat of widespread illness and a threat to public health; and

WHEREAS, on March 16, 2020, after consultation with City, County, and state officials, it was my judgment that there reasonably appeared to exist a state of civil emergency which required a response by the City to protect human life, and I, therefore, declared a local state of civil emergency; and

WHEREAS, on March 24, 2020, after consultation with City, County, and state officials, it was my judgment that there continued to reasonably appear to exist a state of civil emergency which required a further response by the City to protect human life, and I, therefore, made a Second Proclamation of Civil Emergency; and

WHEREAS, on April 3, 2020, the Director of the Missouri Department of Health and Senior Services (“DHSS”) issued a statewide stay at home order; and

WHEREAS, on April 6, 2020, the Second Proclamation of Civil Emergency was amended and on April 21, 2020, said Proclamation was renewed until May 3, 2020; and

WHEREAS, on April 27, 2020, Governor Parson announced the first phase of the “Show Me Strong Recovery” Plan which became effective May 4, 2020, and extends through May 31, 2020; and

WHEREAS, the first phase of the “Show Me Strong Recovery” Plan allows citizens to begin to return to economic and social activities if certain precautions are taken; and

WHEREAS, the public health system now has the hospital resources, testing resources, and public health containment resources to begin the process of safely reopening the economy; and

WHEREAS, on April 30, 2020, after consultation with City, County, and state officials, it was my judgment that there continued to reasonably appear to exist a state of civil emergency but that it would be prudent to permit additional limited activities, and I, therefore, made a Third Proclamation of Civil Emergency which allowed citizens to begin to return to economic and social activities if certain precautions were taken and which became effective on May 4, 2020, and extends through May 31, 2020; and

WHEREAS, on May 7, 2020, the Third Proclamation of Civil Emergency was amended because recent public health data supported amending it to allow a return to additional economic and social activities provided certain precautions were taken; and

WHEREAS, on May 20, 2020, after consultation with City, County, and state officials, it was my judgement that there continued to reasonably appear to exist a state of civil emergency; however, the most recent public health data supported allowing additional economic and social activities and beginning the City's "Road to Recovery," and I, therefore, made a Fourth Proclamation of Civil Emergency which allowed additional activities, which was amended on May, 21, 2020, and on June 5, 2020; and

WHEREAS, after consultation with City, County, and state officials, it is my judgment that there continues to reasonably appear to exist a state of civil emergency; however, the most recent public health data continues to support allowing additional economic and social activities and beginning Phase 3 of the City's "Road to Recovery."

NOW, THEREFORE, I, KEN MCCLURE, MAYOR OF THE CITY OF SPRINGFIELD, DO HEREBY PROCLAIM AND ORDER, that:

Section 1 – Effective June 15, 2020, at 12:01 a.m., the Fourth Proclamation of Civil Emergency as amended is hereby withdrawn, and this Fifth Proclamation of Civil Emergency, "The Road to Recovery," is hereby enacted. A local state of civil emergency continues to be declared pursuant to City code Section 78-132.

Section 2 – The exercise of certain powers granted to me in Section 78-132 appears reasonably necessary due to the local state of civil emergency, and I hereby impose the orders described in "Exhibit A," which is attached hereto and incorporated herein by this reference.

Section 3 – During the time this Proclamation of Civil Emergency is in effect and any renewals thereof, I hereby delegate to the City Manager and his delegates the authority to determine whether any personal or business activity is permitted or prohibited under this Proclamation.
