Dear Ralph Rognstad Jr.,

On behalf of CoxHealth, I want to thank you in considering us to be a planning partner in the Link project. We have been actively involved in the development of the greenway system in Springfield and have worked with the Parks and Public Works departments and various community leaders to connect the City's trail system through our South campus.

Again, we fully endorse the Link project and look forward in the participation as a planning member. Please do not hesitate to contact me if you have any questions.

Sincerely,
