

OZARKS TECHNICAL COMMUNITY COLLEGE

August 21, 2010

Ralph Rognstad Jr., Director
Planning & Development Department
City of Springfield
P.O. Box 8368
Springfield, MO 65802

Dear Ralph,

Ozarks Technical Community College is in support of the Link project and we appreciate the opportunity to participate in the planning of the project. With the recent approval of OTC's master plan expansion, the incorporation of connecting the greenways trails through our campus will allow for connectivity to Missouri State University, Drury University and Evangel University. This will also enhance multi-use pedestrian walking trails and bike boulevard access to other key center city areas including the government plaza and downtown retail and services.

The Link project will promote the livability and economic vitality of the City of Springfield and the region and it will enhance access to area employment, retail, services and educational opportunities.

Sincerely,

A handwritten signature in black ink, appearing to read "Rob L. Rector".

Rob L. Rector
Vice President of Administrative Services
Ozarks Technical Community College
