Activities Selected During Consultations

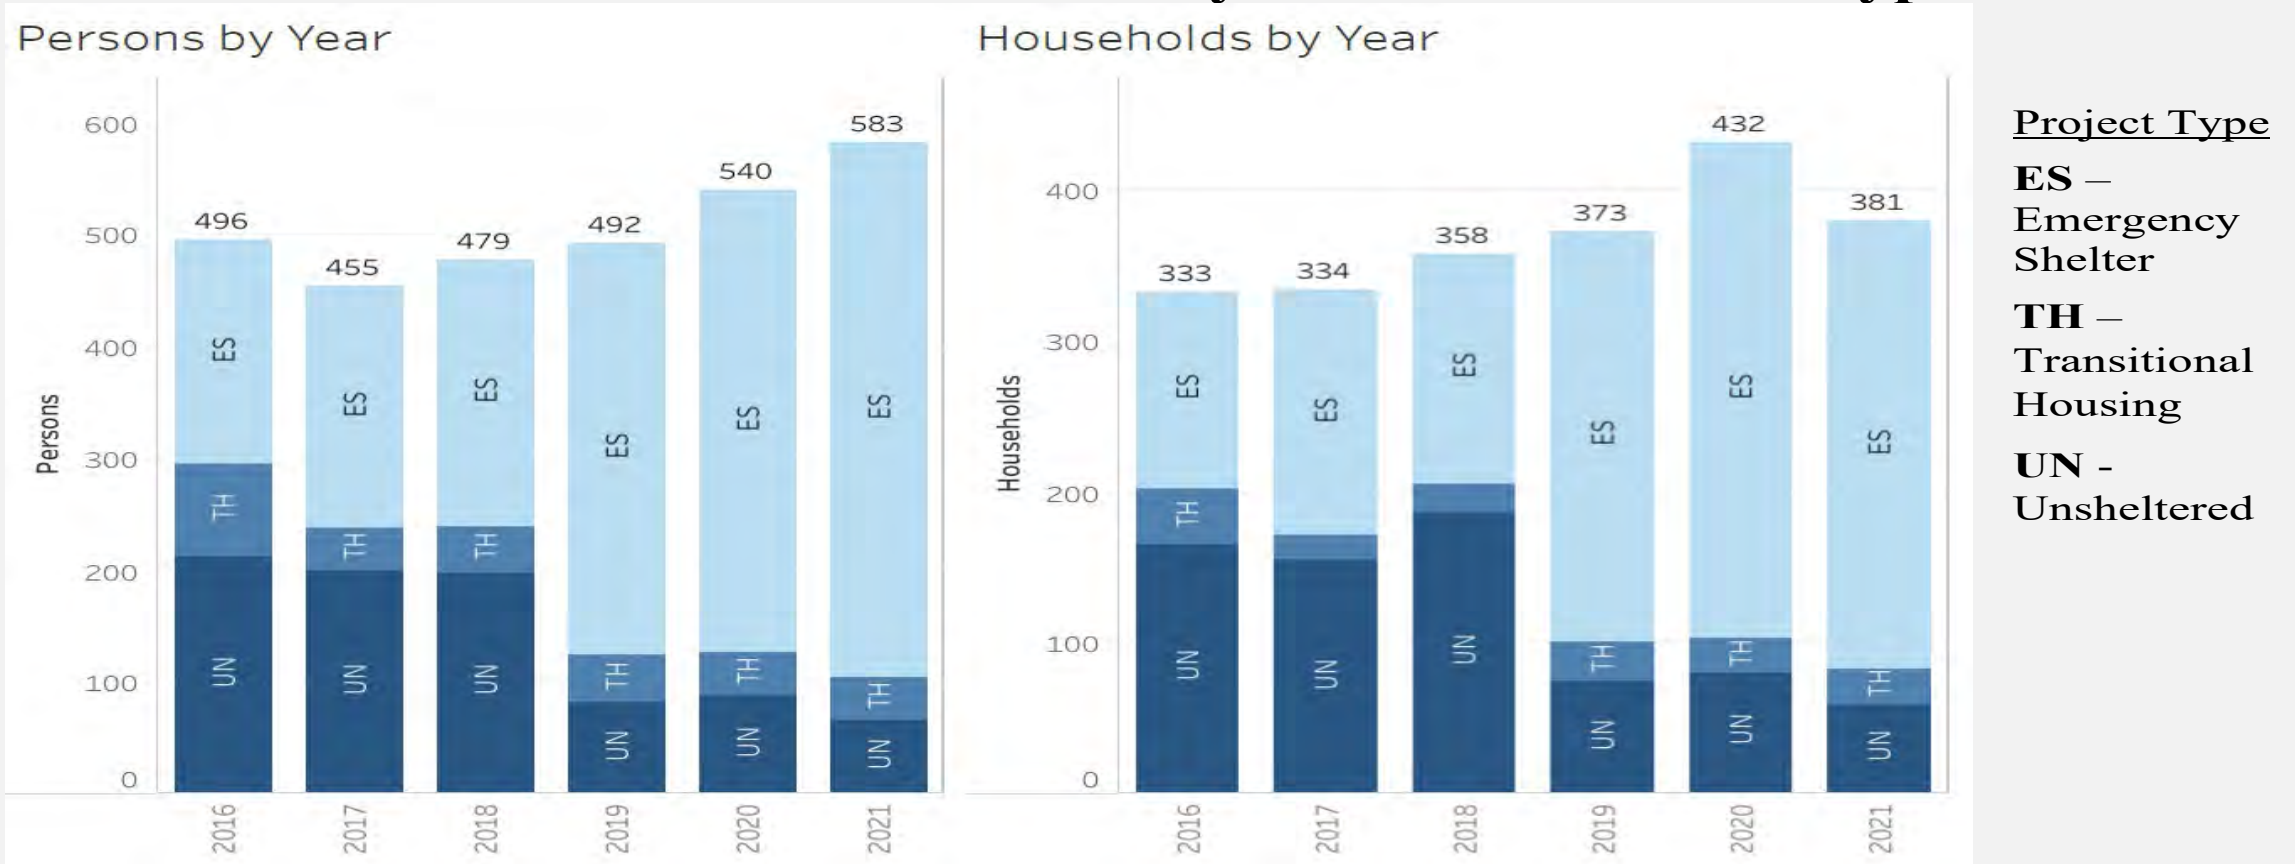

Continuum of Housing

Needs Assessment and Gaps Analysis

Non-Congregate Shelter Gap

2021 Point In Time Summary for All Household Types

Note: The data provided above is for all household types, including both Adult Only and Adults & Children Household Types.

Needs Assessment and Gaps Analysis

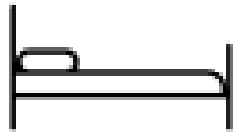

Non-Congregate Shelter Gap

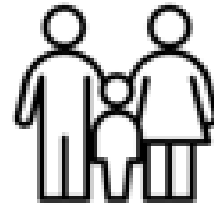

583 Individuals were experiencing homelessness (55% male, 45% female)

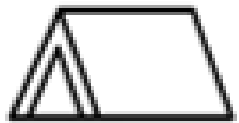

26 Veterans were homeless

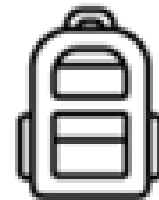

517 Individuals were staying in an emergency shelter *

77 Families with children were homeless

66 Individuals were unsheltered

158 Children were homeless (under 18)

30 Youth were homeless (age 18-24)

** Of people who were sheltered . . .*

73 were in Crisis Cold Weather Shelters

158 were in hotel placements due to COVID vulnerability

Needs Assessment and Gaps Analysis

Non-Congregate Shelter Gap

- Using Point In Time Data it is estimated that the community has a need for additional emergency shelter beds for approximately **300 individuals**.
- This number is arrived at by adding together the following populations:
 - 66 Unsheltered Individuals
 - 73 Sheltered in Crisis Cold Weather Shelters
 - 158 Hotel Placements
 - **297 Total Individuals**

Needs Assessment and Gaps Analysis

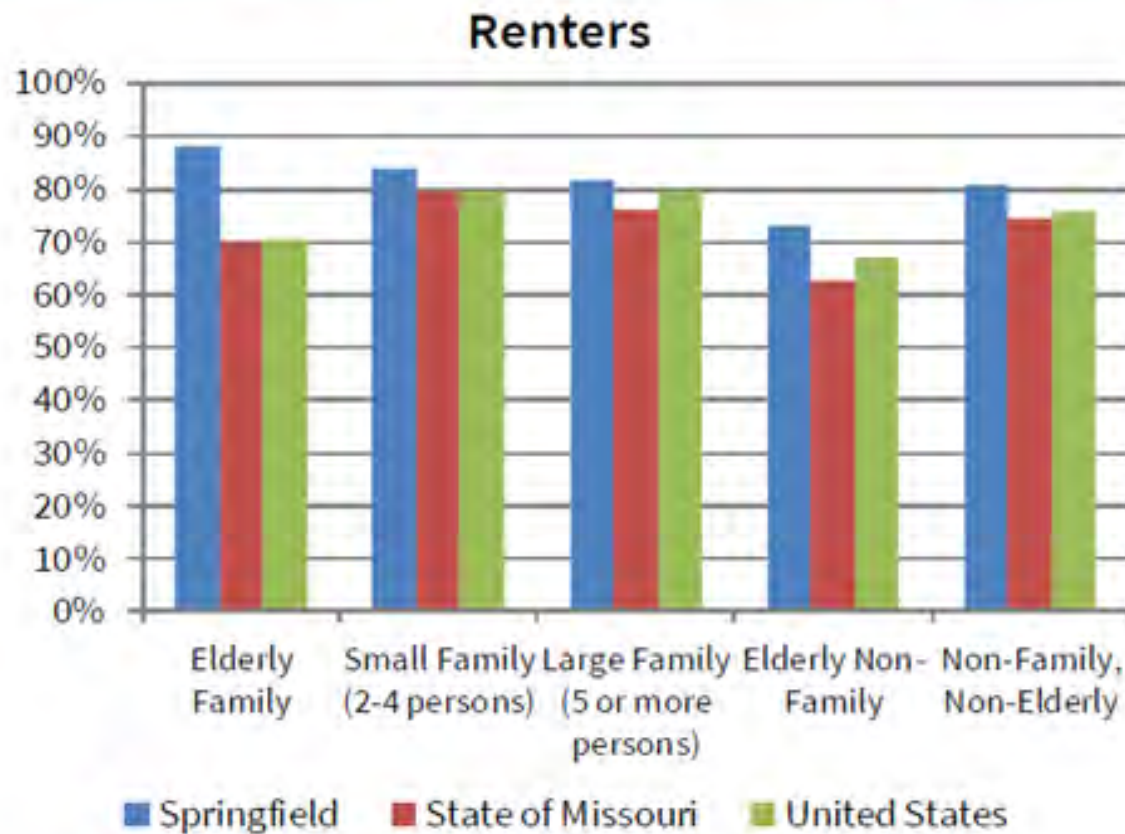

Non-Congregate Shelter Gap for the Homeless

- Using current Springfield Prioritization List Data, it is estimated that the community has a need for additional emergency shelter beds for approximately **323 individuals**.
- This number is arrived at via the following:
 - 396 individuals are on the current Springfield Prioritization List (As of April 4, 2022)
 - 323 individuals, out of the total on the Prioritization List (396 individuals) reported that they have stayed in a place not meant for habitation.
- According to data provided from the 2021 Housing Inventory County (HIC) there are currently 720 Emergency Shelter and Transitional Housing beds.

CDBG-CV Application to the DED

- After receiving Council authorization, the City put out an RFP and received proposals for Community Transitional Housing Facilities and public services for COVID affected, homeless individuals.
- On March 18, 2022, the City applied to the DED for \$2 million for a Transitional Housing Community Facility.
- The DED has confirmed receipt of the City's application and required attachments. The City staff is awaiting an additional response from the DED.
- If awarded, the \$2 million of CDBG-CV funding will be applied toward the construction of a new \$5 million emergency shelter.
