

**JOB DESCRIPTION
CITY OF SPRINGFIELD**

**HUMAN RESOURCES DEPARTMENT
EMPLOYMENT AND
COMPENSATION DIVISION**

Job Title	<u>Fire Captain</u>
Sch & Grade	<u>FPS-6</u>
Class Code	<u>B155</u>
FLSA Status	<u>Non-exempt</u>
Bargain Unit	<u>Elig. IAFF</u>
Occupational Group	<u>Fire</u>

PRIMARY PURPOSE:

Supervises and participates in fire suppression, fire prevention, rescue and emergency medical operations, salvage and overhaul, and training activities of a fire district and performs assigned administrative duties.

SUPERVISION:

Under general supervision of the Battalion Chief or Division Chief.

DESCRIPTION OF WORK:

ESSENTIAL FUNCTIONS:

1. Supervises and directs the activities of a fire station district and assigned companies. Responds to emergency and non-emergency situations involving fire, motor vehicle accident, medical emergency, or special operations incident scenes.
2. Leads water rescue, HAZ-MAT, or other special teams as assigned.
3. Utilizes the incident command system, assumes command of emergency scenes, per the incident command system, analyzes situations, determines proper procedures, and directs the activities of various responding units.
4. Wears personal protective equipment for emergency medical and fire incidents, to include full turnout gear including helmet, coat, pants, boots, suspenders, gloves, hood, and scba assembly.
5. Administers emergency medical care per protocol and attends to victims until primary medical personnel arrive.
6. Works directly in firefighting activities; utilizes tools, equipment, portable extinguishers, hoses, ladders, etc.
7. Operates pumper trucks and calculates pump pressures as needed at fire scenes, when training firefighters and operators, etc.
8. Coordinates, participates in, and completes company pre-fire planning, district familiarization, and fire safety inspections.
9. Reads, studies, and interprets department procedures, fire science technical manuals, etc.
10. Directs the operation of fire apparatus and personnel for firefighting, rescue, and special operations activities
11. Provides training to crewmembers regarding apparatus operations including leading practical training exercises; participates in in-service training, televised/online training, and drills to maintain required level of knowledge, skills, and abilities; participates in departmental in-service training and drills.
12. Communicates over the radio system, maintains radio contact with the incident commander, communications center and/or other units (fire, EMS, and support) during emergency response, requesting assistance when needed utilizing the alarm schedule as necessary.
13. Maintains manual and/or computerized records on training, attendance, time sheets, incidents, etc. and prepares reports as required.
14. Ensures the safe and proper utilization of fire apparatus, tools and equipment, and personal protective equipment.
15. Participates in the formulation or evaluation of departmental or City policies as assigned, implements new or revised policies, and enforces current policies and procedures, operating guidelines and the CBA.
16. Participates in and oversees the periodic inspection and testing of equipment per Department policy.
17. Leads and completes occupancy inspections and surveys, as assigned.

IMPORTANT FUNCTIONS:

1. Prepares and delivers community risk reduction and public relations programs, and conducts tours of the fire station and apparatus.
2. Communicates relevant department information to coworkers on the oncoming shifts.
3. Takes appropriate action on maintenance needs of equipment.
4. Serves in an out-of-title role as Battalion Chief, as needed.
5. Supervises and performs maintenance and cleaning work on fire equipment, buildings, and grounds.

Performs related work as required.
