COMPENSATION DIVISION**

Job Title Parks Mntce. Equip. Crew Leader
Sch & Grade CTL-12
Class Code GB55
FLSA Status Non-Exempt
Bargain Unit Elig. IBEW
Occupational Group Fleet & Equip. Services

PRIMARY PURPOSE:

Plans and supervises repair and preventive maintenance services for a wide variety of automotive, parks, golf course and grounds equipment.

SUPERVISION:

Under general supervision of the Park Operations Supervisor. Supervises equipment technicians and seasonal staff as assigned.

DESCRIPTION OF WORK:

ESSENTIAL FUNCTIONS:

1. Plans, organizes, and directs the work of employees responsible for completing equipment repair work on a wide variety of automotive, parks, golf course and grounds equipment.
2. Assigns, directs, assists, and evaluates the work of assigned employees in repairing and maintaining equipment.
3. Coordinates with other supervisors to schedule and prioritize preventive maintenance as well as equipment maintenance and repair requests, and the proper care of equipment.
4. Oversees diagnosis work on equipment and evaluates the quality of repair work completed by staff including test driving equipment and vehicles as appropriate.
5. Prepares and maintains required records and reports including payroll, inventory, project status, repair cost estimates, completion time estimates, cost comparisons between in-house services verses outsourcing services, etc.
6. Provides training and instruction to crew members regarding equipment operation and work procedures; ensures that appropriate equipment is utilized for specific projects and work is done in accordance with required standards and construction practices.
7. Ensures that crew members follow proper safety procedures and that equipment is kept in good working order.
8. Reads and interprets repair manuals, schematic drawings, etc. for a variety of repair projects.
9. Completes performance evaluations, recommends and implements necessary disciplinary action, and participates in and makes recommendations regarding the hiring decisions of crew members.
10. Assists in determining appropriate inventory levels needed.
11. Supervises emergency calls for Parks; assigns appropriate personnel and/or determines the need for assistance from proper division supervisor.
12. Works with insurance companies to make final disposition of accident settlement claims.
13. Uses computer Fleet Software to log labor, record notes, track status, and review history

IMPORTANT FUNCTIONS:

1. Attends conferences, workshops, seminars, and other training for professional development purposes.

Performs related work as required.
